Team Mission

Park N Ride Team Members are committed to providing a smooth parking experience for everyone who attends or visits Grace!

Commitment

Park N Ride Team Members rotate and volunteer for one service on Sundays; they are welcome to serve as little or as much as they would like. Drivers typically drive the van (current driver's license required). If drivers have a Class B license, they are able to drive the Shuttle (if interested in getting a Class B we can help). Parking Greeters serve before and after one service, directing traffic as well as Park N Ride vehicles.
