Team Mission

First Impressions Team are some of the first people that individuals will encounter when they come to Grace. Team Members are committed to providing a welcoming Sunday experience by greeting everyone in a genuine manner and helping them to feel at home here each and every time they attend.

Commitment

Team Members are welcome to sign up for the frequency they wish to serve, committing to at least one service, once per month. It is important to us that they also attend a service each week as well as serve.
