- (Tear Down) crew stays after the last service to put everything away and secure the church. This includes tear down and clean up of the coffee cart area, happy hour area, and info booth. Team Mission

The Set Up and Tear Down Teams are the backbone behind hospitality here at Grace. Preparing for our weekly gathering each week requires people dedicated to providing a welcoming experience for our guests.

Commitment

Set Up and Tear Down Team members are welcome to serve as often and as frequently as they prefer. The goal is that they would serve at least one Sunday per month so that there are also weeks where team members attend Grace without serving.
