

Pre-K Bathroom/Diaper Changing Policy

- Only adult females may take a child to the bathroom.
- No more than 5 children at a time & no less than 2 (no one-to-one ratio).
- Door to bathroom is to remain open with team member at the door.
- Ask if child needs help but encourage children to use restroom on their own if possible.
- Only one child in each stall (North Park campus).
- At no time may a team member be alone with a child in a stall; if a child needs assistance, stall door must remain open.
- 2/3's may take boys & girls into same restroom.
- 4/5's must separate boys & girls.
- All diaper changes must be done by a female team member.
- Use latex free gloves, and a clean table liner for all diaper changes.
- Diapers should be placed in a disposable baggie and discarded or in the provided diaper pail.
- Diaper changes are done as needed and not a "must do" at every service. (Please check with parents at drop-off if the child has a clean diaper on.)
