### Activity: Listen and Look

Everything in nature is made by God. If you listen to and look at nature, you can learn about God!

#### Directions

1. Go on a walk outside to find gardens, parks, fields, or large lawns.
2. When you find one, sit quietly with your eyes closed to listen.
3. Talk about which sounds are from nature and which are from people.
4. Talk about what nature sounds make you think about God.
5. Start looking for things in nature. Talk about what each thing makes you think about God.
6. If you need some ideas, look at the Nature List.
